

**Legend**

- Monitoring Well
- Potable Well
- Recovery Well
- Groundwater Contour (ft)
- Building/Structure
- Paved Area
- Concrete/Gravel
- Lower Providence Parcels
- Water Body

**SOURCES:** Site features based on Pennsylvania Spatial Data Access (PASDA), Delaware Valley Regional Planning Commission (DVRPC), Montgomery County, PA, January 2008. Site Monitoring Well and Recovery Well locations were derived from a 2013 aerial photograph (0000013) and are reported in feet above mean sea level (amsl).  
 - MW-30 & RW-4 not used in contouring.  
 Contours created by Suter 11 using the Mating method.
